PREFACE

Alhamdulillahirobil'alamin, praise and gratitude to ALLAH SWT, who has bestowed His grace and gifts so that the author can complete the practical work report that has been carried out at the Immigration Office Class II TPI (Immigration Checkpoint) Bengkalis for 4 months starting from February 15th to June 15th 2021.

Apprenticeship (KP) is one of the activities for Bengkalis State Polytechnic students in completing studies carried out by all departments at Bengkalis State Polytechnic which aims to increase technical experience or insight in the world of work, both industry and offices.

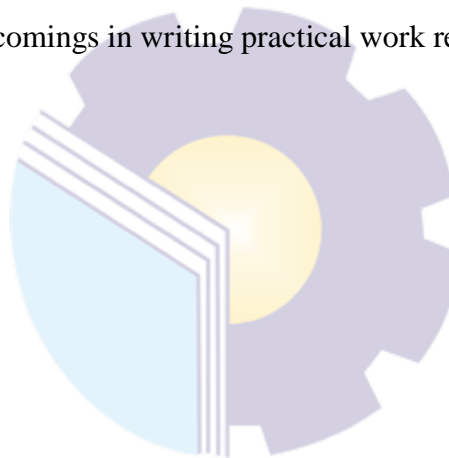

During this activity, there has been a lot of help, guidance from various parties, both from the management of the Bengkalis State Polytechnic, the Management of the Immigration Office Class II TPI (Immigration Checkpoint) Bengkalis as well as support from the family for all the participation and cooperation provided. For this reason, the writer would like to take this opportunity to thank:

14. To my friends in arms at the Bengkalis State Polytechnic, especially the VIII (eight) semester international business administration study program, they always provide support and enthusiasm to complete the Apprenticeship (KP) report.

The Apprenticeship Officer is fully aware that this report is far from perfect because the knowledge and experience possessed is still very limited and needs to be improved, both in terms of presentation, form and content. Therefore, the writer needs constructive criticism and suggestions. Practicing practitioners hope that this practical work report will be useful for all readers. If there are shortcomings in writing practical work reports, please forgive me.
