CHAPTER 1

INTRODUCTION

1.1 Background of Apprenticeship

Most students' dream after completing their education is to be able to enter the world of work. The world of work is a forum for applying various things learned during college. In order to prepare students to compete in the world of work, State Polytechnic of Bengkalis requires all students to take part in an apprenticeship or practical work (KP) program.

Apprenticeship are an opportunity for interns to gain practical experience, hone their skills, and understand directly the real activities at the institution or company where they are interning. Apprenticeship aim at job training to improve certain skills in a professional field. In simple terms, an internship is a professional work activity in an agency, institution or company that organizes a collaborative internship program with universities.

State Polytechnic of Bengkalis equips students to take part in apprenticeship activities, where apprenticeship activities are one of the requirements for graduating. One of the study programs at State Polytechnic of Bengkalis is D4 English for Business and Professional Communication.

The focus of this study program is to form competencies in the field of English that can be applied in business and professional communication contexts. This study program focuses on developing oral and written communication skills in a professional business context, as well as studying aspects such as listening, reading, writing and speaking in a business context. Apart from that, students will also study courses such as Introduction to Business Communication, Intercultural Business Communication, and others that are relevant to business and professional communication needs. This study program also prepares professionals in the field of English for business and professional communication, with job prospects in various fields such as translators, diplomats, publicists, content writers, journalists and others.

Students of this study program will acquire skills that are relevant and in line with the needs of the world of work in the context of business and professional communication which is really needed when carrying out an apprenticeship.

Therefore, becoming one of the students of the English for Business and Professional Communication study program is an opportunity to do an apprenticeship at PT.Centro Riau Digital Mediatama (Ceria TV) which is one of the many online TVs developing in cyberspace (streaming). However, Ceria Tv is one of competitive online TV. It has been established since 2013 and only started actively broadcasting its programs in 2014. Ceria Tv has started broadcasting with expanded cable TV channels. Supported by experts who have decades of experience in their fields, as well as broadcasting equipment that always keeps up with technological developments, Ceria Tv is confident of being able to dominate the highly competitive online and digital TV market. Ceria Tv competes through Live Streaming channels or also known as IPTV (Internet Protocol Television) under the legal umbrella of PT.Centro Digital Riau Mediatama. Ceria Tv is present in Pekanbaru to provide information and entertain the people of Pekanbaru according to program needs that broadcast local information and entertainment that is not covered by national television.

Therefore, apprenticeship is carried out at PT.Centro Riau Digital Mediatama which will be implemented for approximately 17 weeks starting from August 21 to December 21, 2023. After carrying out KP for 17 weeks, students are required to make an apprenticeship report as a form of accountability for every activity carried out during the apprenticeship.

1.2 Purpose of the Apprenticeship

The purposes of the apprenticeship are as follow:

1. To describe job descriptions during practical work at PT.Centro Riau Digital Mediatama.

2. To know working procedures during practical work at PT.Centro Riau Digital Mediatama.

1.3 Significances of the Apprenticeship

1.3.1 Significances of the Apprentice

CHAPTER 2

GENERAL DESCRIPTION OF THE COMPANY

2.1 Company History

2.1.1 PT. Centro Digital Riau Mediatama (Ceria TV)

PT. Centro Digital Riau Mediatama launched the first online streaming TV broadcast in Riau on 9th August 2013 with the nickname www.ceriatv.co.id, and has broadcast various programs at the end of May 2014. Ceria TV is one of the information media in the city of Pekanbaru and of course is a source of pride for the people of Pekanbaru. As a public media, Ceria Tv continues to develop to show its identity and exist. Ceria Tv always provides comfortable viewing for the people of Pekanbaru who are very open and think forward (Modern).

Ceria Tv is under the auspices of PT. Centro Digital Riau Mediatama has a strong commitment to continue to develop television units in Indonesia and establishing good relationships by providing accurate information or targeting social activities with the aim of strengthening relationships with the wider community in general. Television is a viewing medium as well as a media with (audio visual). It is different from print media which is more of a viewing medium. People look at the images shown on television, and at the same time listen or digest the narrative of the images, because whatever is presented in audio and visual form will be the biggest contribution to the progress of a television station. The development of the television business world has given rise to several types of television, one of which is private (commercial) television.

The Ceria Tv program consists of three parts, namely :

1. Education, tausiah, maghrib Koran, centro auto magz, cheerful kids, city talk program, centro 19 news program.
2. Entertain, cheerful morning, cheerful music, lively sitcom, foreign music hits, Malay melodies, cheerful chat, standup comedy, special laughter and jokes.

3. Lifestyle, colorful (food, fashion, art and culture, destination), happy vacation, city tour.

Ceria Tv presents quite complete programs from all aspects of education, entertainment and lifestyle, where each show that is broadcast can provide complete educational information, tips and entertainment according to the needs and desires of listeners.

Ceria Tv also provides a forum for communities in the city of Pekanbaru in particular to be able to channel their talents and develop themselves both for individuals and groups, whether in the form of a community, group or an agency to be more advanced and better known in the city of Pekanbaru in particular.

Currently Ceria Tv has collaborated with one of the most developed communities in Pekanbaru, namely several of them such as StandUpIndoPku. Apart from that, Ceria Tv also collaborates with companies, one of which is PLN Persero, where Ceria Tv always documents important activities being held. by PLN. Ceria Tv provides a platform for communities in the city of Pekanbaru in particular to be able to channel it to individuals and groups in society, whether in the form of a community, group or an agency, to be more advanced and better known in the city of Pekanbaru in particular.

The aim of establishing a streaming-based private TV is to provide and broadcast information regarding education, entertainment and lifestyle and to meet the public's needs for entertainment, of course in broadcast programs that are well programmed and meet the audience's tastes. Superiority in the technical field and the quality of the broadcast is really high quality so it is loved by many viewers in the city of Pekanbaru.

2.1.2 Company Logo

A logo is a symbol that identifies a company, organization, institution, or product to differentiate it from other companies. The logo describes its own characteristics and has meaning. Like the Ceria Tv logo which was formed with many of the same considerations and thoughts. The Ceria Tv logo itself

has two logos, the first logo is used for the channel logo that appears on the screen, while the other logo is used on the uniforms of the crew and other members. Here is the company logo:

Figure 2. 1 Company Logo

2.2 Vision and Mission

2.2.1 Vision

The vision of Ceria TV is "To become a local TV station that is of interest to the people of Riau in general and to advertise in particular so that through its broadcasts it is able to support the development program of Riau Province and to realize the welfare of the people of Riau physically and mentally." And he wants to be the bearer and custodian of Malay values and unite the ethnicities of Pekanbaru residents into one commonality within the framework of the Unitary Republic of Indonesia.

2.2.2 Mision

1. Creating and broadcasting programs as the fastest and most up-to-date barometer of the news programs broadcast.
2. Creating and broadcasting broadcast programs that are able to increase the resilience of Malay culture in facing the era of globalization.
3. Creating and broadcasting broadcast programs unifying regional culture in Riau in order to strengthen national culture in the Republic of Indonesia.
4. The target is to document Malay cultures as cultural roots in

Pekanbaru which are starting to become scarce.

5. Creating and broadcast broadcasting programs that are able to strengthen the implementation of regional autonomy and the Malay community in Pekanbaru in general and Riau in particular.
6. Developing and broadcasting various broadcast programs as a medium for information, education, healthy entertainment and social control in society.

2.3 Organization Structure

In the management of an institution or organizing institution, an important role is chosen because with good organization, the plans that have been prepared and determined will run well. With organization, it will be easier for leaders and staff to carry out their duties well. All broadcasting activities carried out by Ceria Tv are of course inseparable from the formation of parts of the existing organizational structure. The organizational structure at Ceria Tv has been formed taking into account the various needs required in the entire broadcasting process.

CHAPTER 4

CONCLUSION AND SUGGESTION

4.1 Conclusion

After doing, the apprenticeship program at Corporate Communications PT. Centro Digital Mediatama there are some conclusion as follow:

1. There are several types of work carried out during the internship: Setting camera and lighting for taking videos for the Ceria Today news program, Making and editing content for posting on social media, covering news for daily news, preparing equipment for event needs, akting as cameraman at the event, and editing daily news.
2. During done apprenticeship at PT. Centro Digital Riau Mediatama (Ceria Tv), it can be concluded that television stations must provide streaming television services that provide information and promotions on activities held by the company. In practical work, shooting techniques during live streaming, a cameraman at Ceria TV must know the shooting techniques, both live streaming and non-live streaming so that the resulting results are of high quality. In this practical work, it can be seen that the private television station Ceria TV focuses on streaming television services and utilizes technology to deliver information and promotions to a wider audience.

4.2 Suggestions

The author provides several suggestions for various parties, especially for the author himself, for students who will carry out practical work in the next period, for companies and for the Bengkalis State Polytechnic.

1. Author
