

CHAPTER 1

INTRODUCTION

1.1 Background of Apprenticeship

Internship is a job training process, so that students have experience and know about the world of work before they enter, then they will already know and channel the knowledge they gain into the world of work.

The State Polytechnic of Bengkalis is one of the vocational higher education institutions that we believe is located on Bengkalis Island, on street Bathin Alam, Sungai Alam, which was founded in 2000. The State Polytechnic of Bengkalis has 8 departments, namely Naval Engineering, Mechanical Engineering, Electrical Engineering, Civil Engineering, Business Administration, Information Engineering, Languages, and Maritime Affairs. Each department has its own competencies that are needed in the world of work. Graduation requirements are final internship and internship reports. Internships are carried out after State Polytechnic of Bengkalis students have completed a minimum of 6 semesters of study. Based on the above, the author conveys, that the author, as a 6th semester language student at the state polytechnic of Bengkalis, did an internship for around 4 months, the author chose the opportunity to do an internship at the Sona View Hotel, the reason was because he wanted to gain experience working in a hotel.

In this case, learning during lectures is closely related to the field of hospitality. Based on this, the author hopes that the experience gained can be helpful and applied in the world of work later. On February 26-June 26 2024 the author did an internship. The author was placed in FB Services and FB Products as pastries.
