ABSTRACT

Tourism has an important role for the economic growth of a country area. In addition, tourism also has an influence on Regional Original Income, especially in Humbang Hasundutan Regency. Attractions in Humbang Hasundutan Regency are unique both in terms of beauty and customs. Therefore, we need several ways to promote it. One of them, is making a Tourist Guide Book “Come and Explore the Hidden Natural Beauty of Humbang Hasundutan Regency”. The method used in this study was descriptive. There were several processes in making this guide book, such as taking photos, editing photos and writing the information about tourism objects Indonesia and English. Based on the results of the evaluation, this guide book can help visitors to visiting tourism objects in Humbang Hasundutan Regency. The result of this study is a Tourist Guide Book “Come and Explore the Hidden Natural Beauty of Humbang Hasundutan Regency” in English and Bahasa.

Keywords: *Tourism, Humbang Hasundutan Regency, the guide book.*
