### **ABSTRACT**

This project report details the organization and execution of the Rank 1 Competition at the State Polytechnic of Bengkalis, emphasizing its significance in enhancing students' knowledge, critical thinking, and competitive spirit. The Rank 1 Competition serves as a platform for students to showcase their academic talents and engage in healthy competition, which is crucial for their personal and intellectual development. The report identifies effective strategies for organizing such events, including the importance of thorough preparation, participant engagement, and the evaluation of each stage of the competition to ensure a smooth process. Key milestones achieved during the event demonstrate the enthusiasm and active involvement of participants, highlighting the positive impact of the competition on the academic community. The report also addresses challenges faced during the preparation and execution phases, offering solutions to enhance future events. Additionally, the creation of trophies and certificates for participants and organizers is discussed as a means of recognizing achievements and fostering motivation. This recognition not only celebrates individual accomplishments but also strengthens the sense of community within the institution.

**Keyword:** Rank 1 Competition, Academic Development, Student Engagement.
