ABSTRACT

The research entitled "The wedding ceremony in Duo Koto, Pasaman regency, West Sumatra" The main purpose of this final project is to make an informational book about Wedding Ceremony in Duo Koto, Pasaman Regency and to get an idea of the pattern of mixed marriages between two different tribes because Duo Koto is an area that has two customs, namely Batak customs and Minang customs. The method of this study was classified into descriptive method. There were several steps in making this informational book, such as collecting data, taking pictures, making the content of the book, design front and back cover and making design for the content of the book. This informational book contains the stages of wedding ceremony in Duo Koto. There were 3 stages, such as: before marriage, marriage and after marriage. This book is expected to encourage tourism culture in Pasaman Regency. This book can be used to help Tourism and Sport Department Office of Pasaman Regency, localcommunity, and especially international community to get information about the Wedding Ceremony in Duo Koto, Pasaman Regency.
