ABSTRACT

Sang Naualuh Damanik is the 14th King of Siantar Kingdom. He was regarded as a king who is courteous, friendly, and also wise to his people. However, people still have lack of awareness in appreciating the struggle of the patriots. The purpose of this study was to make a biographical book about the life history of the King Siantar Kingdom “Sangnaualuh Damanik”. The method used in this study is descriptive and data obtained from interviews plus data collection from books and data files obtained in their own language. Data collection techniques used are documentation, interviews, observations, literature studies related to the role of the King Sang Naualuh Damanik as a figure in Islamic education. The result of this study was a Biography Book of King Sang Naualuh Damanik which is very beneficial to be learned from his success and his loyalty. This product is expected to give information, knowledge, and references for the readers.

Keywords: *Biography, Sang Naualuh Damanik, History*
