ACKNOWLEDGEMENT

Praise and gratitude are offered to Almighty God for His blessings, guidance, and grace, which have enabled the author to complete this Internship Report entitled "Internship Activities at General Training and Services, APRIL Learning Institute, PT Riau Andalan Pulp and Paper." This report was prepared as one of the academic requirements for completing the Diploma IV (Bachelor of Applied Science) Program in International Business Administration at Politeknik Negeri Bengkalis.

The internship program provided valuable opportunities for the author to gain practical experience, enhance professional skills, and apply the knowledge acquired during academic studies in a real working environment. Throughout the internship period, the author was involved in various administrative and operational activities within the General Training and Services (GTS) Division at APRIL Learning Institute. These experiences have broadened the author's understanding of workplace practices, improved communication and teamwork skills, and strengthened the ability to work responsibly in a professional setting.

The completion of this report would not have been possible without the support, guidance, and encouragement of many individuals. Therefore, the author would like to express sincere gratitude to:

1. Mr. Johny Custer, S.T., M.T., for providing the opportunity and the necessary facilities for students to undertake the Practical Work program as an integral part of the learning process.
2. Ms. Nurhazana, S.E., M.Sc. as Head of the Department of Business Administration.
3. Mr. Muhammad Fuad Asrofillah, S.E., M.M. as the Head of the International Business Administration Study Program.

4. Ms. Wan Junita Raflah, B.Sc., M.Ec, Dev., as the author's Supervisor, for her invaluable guidance, encouragement, and continuous support throughout the academic journey and during the Practical Work program.
5. Mr. Alkadri Perdana, B.IT., M.Sc, as the Coordinator of the 2025 Digital Business Student Practical Work Program, for his guidance, coordination, and valuable assistance in the preparation and implementation of the Practical Work activities.
6. The management of PT Riau Andalan Pulp and Paper, especially the General Training and Services (GTS) Division at APRIL Learning Institute, for providing the opportunity to undertake the internship program.
7. Ms. Rahayu, Ms. Thiara, Ms. Lusi, and all employees of the General Training and Services (GTS) Division for their guidance, support, patience, and willingness to share their knowledge and professional experience throughout the internship.
8. The author's beloved parents and family for their endless love, prayers, encouragement, and moral support.
9. Friends and colleagues who have provided motivation, assistance, and encouragement during both the internship program and the preparation of this report.

The author realizes that this report still has limitations. Constructive criticism and suggestions are welcomed for future improvement. Hopefully, this report will be useful for readers and students undertaking similar internship programs.
