ACKNOWLEDGMENTS

Praise and gratitude are expressed to Allah SWT for His abundant blessings, mercy, and guidance, which have made it possible to complete this Apprenticeship Report successfully. This report was prepared based on the apprenticeship conducted at PT Nusantara Palm Chemicals, particularly in the Health, Safety, and Environment (HSE) Department, from February 9, 2026, to June 9, 2026.

Through this Apprenticeship program, valuable knowledge, practical experience, and broader insights into the professional working environment were gained, particularly regarding the implementation of occupational health, safety, and environmental management within the company. It is realized that the completion of this report would not have been possible without the assistance, guidance, encouragement, and support of many individuals. It is also acknowledged that this report still has limitations in both its content and presentation.

With sincere gratitude and deepest appreciation, the author would like to express heartfelt thanks to everyone who has contributed, either directly or indirectly, to the completion of this Apprenticeship Report, especially to:

1. Mr. Johny Custer, S.T., M.T, as the Director of State Polytechnic of Bengkalis.
2. Mr. Romadhoni, S.T., M.T, as the Deputy Director for Academic Affairs of State Polytechnic of Bengkalis.
3. Ms. Nurhazana, S.E., M.Sc, as the Head of the Business Administration Department.
4. Mr. Muhammad Fuad Asrofillah, S.E., M.M, as the Head of the International Business Administration Study Program.
5. Mr. M. Alkadri Perdana, B.IT., M.Sc. as apprenticeship coordinator for the International Business Administration Study Program.
6. Ms. Yanisha Dwi Astari, S.S., M.Hum, as the apprenticeship report advisor, for her guidance, time, patience, and valuable advice.
7. Ms. Armita Novriana Rambe, S.Pd., M.Hum, as the Academic Advisor of the International Business Administration Study Program, Class VIII A.

8. All lecturers and teaching assistants at State Polytechnic of Bengkalis, especially those from the International Business Administration Study Program.
9. Mr. Arus Marsinondang Purba, as the Manager of the Health, Safety, and Environment (HSE) Department.
10. Mr. Hendra Winata, as the Supervisor and Field Mentor, for his invaluable guidance, support, and direction throughout the apprenticeship program.
11. All employees of PT Nusantara Palm Chemicals, especially those in the Health, Safety, and Environment (HSE) Department, for their assistance, support, and the valuable experiences shared with the author throughout the apprenticeship program.
12. The author would like to express sincere gratitude to her beloved parents, Ruslan and Ermanilis, and to her beloved sisters and brothers, Nana, Rian, Mira, Dharma, and Iman, as well as her beloved nieces and nephew, Adnan and Aretha, for their endless prayers, unconditional love, encouragement, and unwavering moral and material support. Their constant presence, sacrifices, and motivation have been a great source of strength throughout the apprenticeship program and the completion of this report.
13. Finally, to myself, Nur Akhiramadani. Thank you for persevering, fighting, and continuing to move forward through every challenge to reach this point. I appreciate all the effort, prayers, and sacrifices made to finish what was started. May I continue to grow into a better person every day.

Finally, the author hopes that this Apprenticeship Report will provide valuable benefits to its readers and serve as a useful reference for those who may need it. Constructive criticism and suggestions are sincerely welcomed to further improve this report in the future.
